

**LAVOCE DN14.301T 1.4" Compression Driver, Neodymium**  
110 W AES, 8 ohms, 108 dB, 500 - 20000 Hz

Art. No.: 12602832  
GTIN:

**List price: 332.01 €**  
incl. 19% VAT.

**Features:**

- For further information about this product, please refer to the Data Sheet under "Downloads"
- Package contents**
- 1 x speaker

**Logistic**

**Technical specifications:**

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Power:           | Program: 220W<br>Rated: 110W AES                                                                                               |
| Frequency range: | 500 - 20000 Hz                                                                                                                 |
| Sensitivity:     | 108 dB                                                                                                                         |
| Impedance:       | 8 ohms                                                                                                                         |
| Speaker:         | Compression tweeter highs 1,4" with neodymium magnet<br>Diaphragmmaterial: titanium<br>Voice coil compression tweeter highs 3" |
| Weight:          | 1,90 kg                                                                                                                        |
