### Descrizione :

Monstera deliciosa is also known as window leaf and is one of the most popular houseplants. It fits perfectly into any interior style and finds its use in offices, bistros or private living spaces.

Its characteristic feature is its large leaves, shiny in bright green on both sides, which are deeply slit (pinnately cleft). Unlike its natural model - whose sap can cause irritation and allergic reactions - the artificial plant from Europalms is completely harmless and easy to care for.

Included in the delivery is a basic gardener's pot, which gives the plant a stable stand when placing it in a planter.

### Features :

- Tronco tuberoso
- The article is delivered pronto per il posizionamento
- Adatto per uso esterno
- With circa 12 di colore verde lifelike leaves
