### Descrizione :

It doesn't always have to be spooky!  
Welcome to the magical world of Halloween, where our adorable " Witch Master Kitten" is just waiting to enchant your home.  
This charming, inflatable decorative figure is the perfect addition to any Halloween party and is also ideal for children's parties thanks to its friendly appearance.  
With a large witch's hat on her head and an orange decorative collar around her neck, the kitten has made herself extra fancy and is sitting expectantly in the entrance area to welcome the guests. Her cute pose is enhanced by her big, sparkling eyes and cheeky red snub nose, enchanting every visitor with her adorable charm. The IP44 protection class also allows the decoration to be set up in a protected outdoor area.

And it's that simple:

To operate, the cat is permanently connected to the power supply via a two-meter-long supply cable. It then inflates to its full size on its own. Additional ground spikes and ropes are included to ensure a stable stand.

After the season, the air is simply released and the cat can be folded up again to save space and await its next appearance.
